Dear Kenya:

Per your letter of April 19, 1997, please find enclosed evidence to substantiate that we did comply with the 48 hour notices. It was a typographical error showing the Dealers Election Action Committee check of \$2500.00 being entered on November 1, 1997. It was actually deposited on November 8, 1997. Please find enclosed a copy of the check, a copy of the deposit slip, and a copy of the envelope showing the postmark.

Please let us know if there is anything else we need to do to resolve this matter.

Sincerely,

Lou Anne White
